## ITINERARY

Cruising through the Caribbean has a number of travel benefits.  
In our opinion, stopping in Belize will likely be the highlight.

### CRUISE: ADVENTURE TOURS – HALF-DAY

Zip lining or cave tubing, Airboat adventure, Snorkel at Shark Ray Alley, Horseback riding.

### CRUISE: CULTURAL & HISTORICAL TOURS – HALF DAY

River Safari and Lamanai Maya Site, Altun Ha Maya Site with Wildlife River Encounter, Museum of Belize or Old Belize Historical Tours, Belize House of Culture, St. John's Cathedral.

### CRUISE: RAINY DAY ACTIVITIES – HALF DAY

Shopping at Fort Street Cruise Village  
Old Belize or Museum of Belize

\*Most low impact tours can be conducted on rainy days.  
Cancellations are subject to weather intensity.  
The shore excursion manager on board your ship determines cancellations.
